Mark Twain

Roughing It: (Annotated) Mark Twain

Roughing It follows the travels of young Mark Twain through the Wild West during the years 1861–1867. After a brief stint as a Confederate cavalry militiaman, he joined his brother Orion Clemens, who had been appointed Secretary of the Nevada Territory, on a stagecoach journey west. Twain consulted his brother's diary to refresh his memory and borrowed heavily from his active imagination for many stories in the novel.

Roughing It illustrates many of Twain's early adventures, including a visit to Salt Lake City, gold and silver prospecting, real-estate speculation, and his beginnings as a writer.

In this memoir, readers can see examples of Twain's rough-hewn humor, which would become a staple of his writing in his later books, such as *Adventures of Huckleberry Finn*, *The Adventures of Tom Sawyer*, and *A Connecticut Yankee in King Arthur's Court*.

Elsie Wallace:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this **Roughing It: (Annotated)** can make you experience more interested to read.

Michael Major:

Reading a e-book make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source that will filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the **Roughing It: (Annotated)** when you required it?
