Sociology Now: The Essentials Census Update Plus MySocLab with eText -- Access Card Package (2nd Edition) Michael S. Kimmel, Amy Aronson

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Exploring the questions of today

Sociology Now reflects the discipline today and explores the big questions about multiculturalism and globalization that sociologists ask.

It explains how the classic concerns of sociology—social order, social conflict, social interaction—have been reshaped by new insights about multiculturalism and globalization.

Sociology has always offered a way to make sense of the complex and sometimes contradictory forces that shape our social lives in any era. As *Sociology Now* explains sociology as both a body of knowledge and a "way of seeing," it shows how the forces of globalization and multiculturalism have come to preoccupy sociologists and influence the way they look at the events and experiences of the early twenty first century. Michael Kimmel, a leading sociologist and gender researcher, and co-author Amy Aronson, a journalist and media scholar, address questions regarding these forces head-on as they make a compelling case for the importance of sociology in the contemporary world.

The Census Update program incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs—to reflect the results of the 2010 Census. In addition, *A Short Introduction to the U.S. Census* is available and an updated MySocLab.

Teaching & Learning Experience

- *Personalize Learning* – MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
- *Improve Critical Thinking* – Each chapter opener asks students to consider a paradox that illustrates the complexity of sociology.
- *Engage Students* – Unique pedagogical features help students see sociology as a science and understand how sociologists use research data.
- *Explore Theory* – Theory is discussed in context of multiculturalism and globalization.
- *Understand Diversity* – Race, class, and gender are discussed both as the foundations of our identity and as sources of inequality.
- *Support Instructors* – The test bank is edited by the authors.
