Counseling American Minorities: A Cross-Cultural Perspective

Counseling American Minorities: A Cross-Cultural Perspective

Counseling American Minorities provides information about the history and experiences, physical and mental health needs, and treatment preferences of African Americans, American Indians, Asian Americans, and Hispanic Americans, as well as an examination of how psychological service providers might better provide mental health services to members of each group. Chapters were written by multicultural experts who have first-hand personal and professional exposure to the experiences and needs of members of each group.
