Latin Literature: A History

Gian Biagio Conte

Latin Literature: A History Gian Biagio Conte

This authoritative history of Latin literature offers a comprehensive survey of the thousand-year period from the origins of Latin as a written language to the early Middle Ages. At once a reference work, a bibliographic guide, a literary study, and a reader's handbook, *Latin Literature: A History* is the first work of its kind to appear in English in nearly four decades. From the first examples of written Latin through Gregory of Tours in the sixth century and the Venerable Bede in the seventh, *Latin Literature* offers a wide-ranging panorama of all major Latin authors. Including names, dates, edition citations, and detailed summaries, the work combines the virtues of an encyclopedia with the critical intelligence readers have come to expect from Italy's leading Latinist, Gian Biagio Conte.
