Life's Little Instruction Book: 511 suggestions, observations, and reminders on how to live a happy and rewarding life H. Jackson Brown Jr.

A few years ago, Jack Brown jotted down a list of fatherly advice for his son as Adam left home to begin a new life as a college freshman. That list became Life's Little Instruction Book, the phenomenal guide that has sold more than five million copies. Now Brown offers a second list, and Adam says "It's more useful than the first one". In 1991, Jack Brown wrote and published Life's Little Instruction Book as a going-away-to-college gift for his son, Adam. Since that time, thousands of readers have shared with Brown their suggestions and observations from their own parents and grandparents. In his latest volume, Brown pays tribute to many of those worthwhile contributions, and offers further ideas from his own life experiences
