Britannica Great Books of the Western World Dickens (Volume 47)

Britannica Great Books of the Western World Dickens (Volume 47)

Although well known for novels such as A Tale of Two Cities and Great Expectations, this volume contains his novel "Little Dorrit" a serial novel originally published between 1855 and 1857. It is a work of satire on the shortcomings of the government and society of the period. Much of Dickens's ire is focused upon the institutions of debtors' prisons, in which people who owed money were imprisoned, unable to work, until they repaid their debts.
