Fathering Your Toddler Armin A. Brott

At what age should you introduce your child to computers? When and how should you go about drawing up a will? The day your child starts preschool, how will you cope with the pangs of adult separation anxiety? The answers to these questions and hundreds more are found in the pages of this information-packed volume. Author Armin Brott devotes a chapter to every three months of the second and third years. In each chapter, Brott charts the physical, intellectual, verbal, and emotional changes the child is going through and examines the emotional and psychological developments the father may be experiencing. He discusses issues that may develop between fathers and their partners as well as matters that involve the whole family. In addition, each chapter contains a section called "You and Your Child," in which activities and issues appropriate to the given age are discussed.

New topics in this revised and expanded edition cover the latest research on child development, including brain growth. There is more advice for dads who are older, single, or in the military; fathers of premies and multiples; stepfathers; and stay-at-home dads. This new edition adds information on a wide range of subjects, from helping a child grieve over the loss of a relative or a pet to health and safety issues to care of special-needs children.

Incorporating the author's and other fathers' personal experiences, as well as the advice of top researchers in the field, and illustrated throughout with delightful *New Yorker*-style cartoons underscoring the universality of the joys and woes of parenting, *Fathering Your Toddler* is an essential sourcebook for every dad. It's certain to give every mom helpful insights as well.

From reader reviews:

Jeraldine Thurman:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each guide has different aim or goal; it means that book has different type. Some people sense enjoy to spend their the perfect time to read a book. These are reading whatever they consider because their hobby is actually reading a book. Consider the person who don't like looking at a book? Sometime, man feel need book when they found difficult problem or perhaps exercise. Well, probably you should have this Fathering Your Toddler.

Dave Edwards:

As people who live in the particular modest era should be update about what going on or details even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe can update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know what type you should start with. This Fathering Your Toddler is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Samantha Graham:

This book untitled Fathering Your Toddler to be one of several books that best seller in this year, that's because when you read this guide you can get a lot of benefit upon it. You will easily to buy this specific book in the book shop or you can order it by way of online. The publisher in this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Cell phone. So there is no reason for you to past this book from your list.

Ashley Gibson:

This Fathering Your Toddler is great reserve for you because the content and that is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great organize word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with lovely delivering sentences. Having Fathering Your Toddler in your hand like obtaining the world in your arm, details in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen second right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?
