High Voltage Tattoo Kat Von D

High Voltage Tattoo is a graphic perspective on today's global tattoo culture by Kat Von D, star of The Learning Channel's *L.A. Ink* and one of the most talented and popular artists working today. Designed in a style that is reminiscent of a handmade Gothic journal with its red padded cover, ornate typography, and parchmentlike pages, it throws the door wide open to tattooing culture in the way only an insider like Kat can.

High Voltage Tattoo traces Kat's career as an artist, from early childhood influences to recent work, along with examples of what inspires her, information about the show and her shop, her sketches, and personal tattoos. The book goes deep into tattoo process and culture: readers can see up close the pigments, the tools, and the making of complex, even collaborative, tattoos.

With a foreword by Mötley Crüe's Nikki Sixx, the book features images and stories about celebrities, rockers, pro skaters, and everyday citizens, including Slayer's Kerry King, Anthrax's Scott Ian, Margaret Cho, *Jackass*' Bam Margera, David Letterman, and many others. It profiles and showcases the work of artists Kat has selected from all over the world, her interviews with people who have compelling tattoos and stories, and amazing images of extraordinary tattoo work. Numerous portfolios throughout the book showcase a range of relevant subjects, from the black and gray portrait work for which Kat is famous to a popular tattoo theme, such as the rose or biblical images. There is a knockout ten-page full-body spread of Kat—clad in a yellow bikini and seven-inch, rhinestone-studded red stilettos—that catalogs in detail all her personal tattoos on her front, back, left, and right sides—even her hands and head.

From reader reviews:

Pamela Cole:

Book is to be different for each grade. Book for children until finally adult are different content. As we know that book is very important normally. The book High Voltage Tattoo seemed to be making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The reserve High Voltage Tattoo is not only giving you a lot more new information but also being your friend when you really feel bored. You can spend your own spend time to read your guide. Try to make relationship while using book High Voltage Tattoo. You never truly feel lose out for everything should you read some books.

Patricia Stroud:

Spent a free time for you to be fun activity to perform! A lot of people spent their spare time with their family, or their own friends. Usually they performing activity like watching television, about to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could possibly be reading a book is usually option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to attempt look for book, may be the reserve untitled High Voltage Tattoo can be fine book to read. May be it is usually best activity to you.

Sara Matthews:

Do you like reading a book? Confuse to looking for your preferred book? Or your book had been rare? Why so many query for the book? But just about any people feel that they enjoy for reading. Some people likes reading, not only science book but additionally novel and High Voltage Tattoo or others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science e-book was created for teacher or even students especially. Those guides are helping them to bring their knowledge. In other case, beside science reserve, any other book likes High Voltage Tattoo to make your spare time considerably more colorful. Many types of book like here.

John Parish:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this High Voltage Tattoo can make you experience more interested to read.
