**Ken Tate Architect, Vol. 1: Selected Houses (New Classicists)** Ken Tate, Oscar Riera Ojeda

This collection of houses illustrates a splendid diversity of stylistic approaches and a range of creative possibilities. An obvious love of the traditions of architecture is evident in each one no matter what the historical precedent or geographical location. The common language is decidedly Classical, yet American architect Ken Tate's personal interpretation and intellectual rigors allow each building to stand apart as an individual work of art beautiful, livable and utterly engaging.
