Los escorpiones elegantes (Spanish Edition) Víctor Sancha Mata

Escorpiones elegantes realiza un paseo por dos mundos; en el primero visita la psicopatía violenta a lo largo de la historia y su correspondencia en los fotogramas que la reflejan desde que existe el cine. En el segundo analiza otras conductas psicopáticas, aparentemente no violentas, y su repercusión en la aparición y el mantenimiento de la crisis económica. El análisis se centra en la investigación psicológica de las personas que la provocaron y en la puesta en escena cinematográfica, ficticia o no, de sus responsables.
