This is a must-read for children and adults, especially if you missed out on this while growing up.

There was a girl called Mary Lennox, she grew up in India, and was extremely fawned on by the servants, whose only job was to keep her quiet and out of the way of her parents. Suddenly, her parents die and she's sent to live with her uncle in England, a grumpy old man who happened to be mourning the loss of his wife. When orphaned Mary Lennox arrives at Misselthwaite Manor, her uncle's estate, everybody said she was the most disagreeable-looking child ever seen. Her uncle wants nothing to do with her. Lonely, spoiled Mary explores the manor and the garden, finding all sorts of hidden secrets as well as her own happiness.

It's just the kind of story that will leave you feel warm and comfortable inside!
