The Viking World James Graham-Campbell

The Vikings dominated Western Europe from the 9th to the 11th centuries. In this account of the Viking world, every aspect of Viking life is examined. Important chapters on ships, runes and religion have been contributed by specialist authors, and the text is complemented by illustrations, including maps and reconstruction drawings. Photographs, many of them especially commissioned, portray the brilliant products of the Vikings' culture and the beauty and harshness of the natural world they faced.
