Frozen Heat (Nikki Heat - edizione italiana) (Italian Edition) Richard Castle

Libro quarto: la serie completa di Richard Castle è composta da quattro libri in formato ebook e cartaceo. Quando Nikki Heat, la detective della squadra omicidi di New York, arriva sull'ultima scena del crimine, trova una donna non identificata pugnalata a morte e abbandonata, chiusa dentro una valigia, in una strada di Manhattan. Nikki subisce un profondo shock quando scopre che questo nuovo omicidio è in qualche modo collegato con il caso irrisolto dell'assassinio di sua madre, evento che l'ha spinta a diventare una poliziotta. Come sempre affiancata nell'indagine dal giornalista premio Pulitzer Jameson Rook, la detective dovrà risolvere il mistero del corpo nella valigia e allo stesso tempo sarà costretta a esplorare zone insospettite della vita passata della madre. Con il reale pericolo di venire uccisa – poiché qualcuno l'ha presa di mira – e muovendosi tra New York e Parigi sulle piste di un killer spietato, Nikki intraprende una ricerca che rivelerà terribili verità familiari e porterà alla luce spaventosi segreti, costringendola a riesaminare tutto il proprio passato. Ma ora che il “cold case” di sua madre è stato inaspettatamente riaperto, riuscirà Nikki a risolvere finalmente l'oscuro mistero che la tormenta da dieci anni?
