Praying Through the Bible: Volume 1: Genesis-Joshua Markus McDowell

Do your prayers seem lifeless or ineffective? Do you find yourself not knowing what to pray? Or how to pray?

What better way to enrich your prayer life than to study the prayers in the Bible? This book takes the reader through every prayer, prayer teaching, or reference to prayer in Genesis, Exodus, Leviticus, Numbers, Deuteronomy, and Joshua. Combining Bible study with practical application, each chapter explores the Bible's presentation of prayer.

The book begins with a general discussion of prayer, some ideas about how to approach biblical studies, and a description of the nine types of prayer. Then, each prayer passage is explored, beginning with the prayer itself, followed by a look at its setting, context, and meaning. This deeper understanding of the passage leads to some ideas about what it teaches about prayer and how we can use it to enrich our own prayers.

Perfect for daily or weekly devotional or a Bible study about prayer for individual or group study. Includes an appendix and an index.
