Television Production Workbook (for Zettl's Television Production Handbook) 10th Herbert Zettl

Students can use Zettl's workbook to check their comprehension of material covered. The workbook is organized to follow the main text, with tear-out worksheets to reinforce and review chapter material. Because students in beginning production classes have differing experience levels, the workbook is a useful diagnostic tool to determine who knows what about television production. Richly illustrated; multiple-choice questions, true/false questions, and open-ended creative application problems for each chapter.
