This is a compilation of over fifty stories from helicopter crews in Vietnam. It also contains stories from those on the ground who had a relationship with the helicopter. This includes Soldiers, Special Forces, Medics, Long Range Recon., Donut Dollys and others. Helicopter crews in Vietnam willingly placed themselves and their ships in jeopardy to put the troops on the ground. They then returned to the battle-site to bring in food, water and ammunition. They risked their lives again to take out the wounded, and bring our men home.
