CompTIA A+ 220-801 and 220-802 Cert Guide is a best-of-breed study guide. Best-selling authors and expert instructors Mark Soper, Scott Mueller, and David Prowse help you master all the topics you need to know to succeed on your CompTIA 220-801 and 220-802 exams and move into a successful career as an IT technician.

Every feature of this book is designed to support both efficient exam preparation and long-term mastery:

- Includes coverage of the new performance based questions
- Opening Topics Lists define the topics you’ll need to learn in each chapter, including a list of the official exam objectives covered in that chapter
- Exam Preparation Tasks include reviewing key topics, completing memory tables, defining key terms, working through scenarios, and answering review questions—all designed to help you go beyond simple facts to make sure you master concepts crucial to both passing the exam and enhancing your career
- Key Terms defined in a complete glossary explain all the field’s essential terminology

The companion DVD contains the powerful Pearson IT Certification Practice Test Engine, two complete exams with access to a large library of exam-realistic questions. This state-of-the-art assessment engine offers you a wealth of customization options and reporting features to help you study more efficiently. Use step-by-step Study Mode or run a powerful exam simulation that mimics actual exam conditions. Whenever you want, get a complete assessment of your current knowledge, so you can focus scarce study time where you need it most. The DVD also includes sample beep codes to help you learn about these valuable troubleshooting tools, memory tables, and the glossary, all in searchable PDF format.

Well-regarded for its level of detail, assessment features, and challenging review questions and exercises, this CompTIA approved study guide helps you master the concepts and techniques that will enable you to succeed on the exam the first time.

The CompTIA approved study guide helps you master all the topics on the A+ exam, including
