## **Crime Victims: An Introduction to Victimology** Andrew Karmen

A first in the field when initially published and now a true classic, CRIME VICTIMS: AN INTRODUCTION TO VICTIMOLOGY, Eighth Edition offers the most comprehensive and balanced exploration of victimology available today. The author examines the victims' plight, carefully placing statistics from the FBI's Uniform Crime Report and Bureau of Justice Statistics National Crime Victimization Survey in context. The text systematically investigates how victims are currently handled by the criminal justice system, analyzes the goals of the victims' rights movement, and discusses what the future is likely to hold. This Eighth edition expands coverage of human trafficking, crimes on campus, identity theft, stalking, motor vehicle theft, prison attacks, and similar high-profile issues.
