Following a harrowing crash landing, agent Craig Van Essen finds he has escaped death only to discover that his life will never be the same.

Leaving the CIA to accept the position as the President's secret agent, Van Essen quickly learns that his new job comes with a new level of danger. His first mission places him in pursuit of the person behind the most heinous crime of the century—the same person who'd also taken from him what mattered most in the world. Bringing the reader first to Switzerland, then Italy, and finally New York City, Paper Tiger provides a potent glimpse into the dark world of terrorism, espionage, and deceit. An electrifying tale of intrigue designed to engage the reader with fascinating characters and events from the author's intricately woven President's Agent universe.

Written in Marion's distinctive style and narrated through Van Essen's imitable voice, Paper Tiger blends romance, action, and suspense—along with a good dose of humor—into a story which presents the reader with a new breed of spy: The President's Agent.

Included at the end of Paper Tiger is a preview of Red Sky Morning, another intense thriller by Greg Marion featuring Mike Brennan as the President's Agent.
