Asian American Studies: A Reader

Min Song

Asian American Studies: A Reader Min Song

This anthology is the perfect introduction to Asian American studies, as it both defines the field across disciplines and illuminates the centrality of the experience of Americans of South Asian, East Asian, Southeast Asian, and Filipino ancestry to the study of American culture, history, politics, and society.

The reader is organized into two parts: "The Documented Past" and "Social Issues and Literature." Within these broad divisions, the subjects covered include Chinatown stories, nativist reactions, exclusionism, citizenship, immigration, community growth, Asia American ethnicities, racial discourse and the Civil Rights movement, transnationalism, gender, refugees, anti-Asian American violence, legal battles, class polarization, and many more.

Among the contributors are such noted scholars as Gary Okihiro, Michael Omi, Yen Le Espiritu, Lisa Lowe, and Ronald Takaki; writers such as Sui Sin Far, Bienvenido Santos, Sigrid Nunez, and R. Zamora Linmark, as well as younger, emerging scholars in the field.
