As soon as she gets him back, Dante disappears again.

This time he's on a business trip to California, and although he's left Sash with his credit card, and as much money as she wants to spend, two weeks has passed and he still hasn't called.

Sash wants to follow Dante's rules and demonstrate that she can trust him, but the wait is agonizing and she has her limits.

When she can't take it any more, she knows what she needs to do. She decides to fly to L.A. and surprise him.

With her hand held protectively over her belly, she knows it's time to tell him her secret.

*If* she has his baby, he'll have to come back to her.

Dante has secrets of his own, however, and a surprise in store that will rock Sash's world.

This is part three of a multi-part series that contains several edge of the seat cliffhangers.

If scorching hot, taboo romance and head-strong, alpha male billionaires that will stop at nothing to get what they want aren't your thing, please look away now.
