## **High Fidelity** Nick Hornby

Rob is a pop music junkie who runs his own semi-failing record store. His girlfriend, Laura, has just left him for the guy upstairs, and Rob is both miserable and relieved. After all, could he have spent his life with someone who has a bad record collection? Rob seeks refuge in the company of the offbeat clerks at his store, who endlessly review their top five films; top five Elvis Costello songs; top five episodes of *Cheers*.

Rob tries dating a singer, but maybe it's just that he's always wanted to sleep with someone who has a record contract. Then he sees Laura again. And Rob begins to think that life with kids, marriage, barbecues, and soft rock CDs might not be so bad.
