How does the heart understand grief when it is broken by the death of a loved one? To survive and live forward, those who grieve must find answers. *Beyond the Broken Heart* is an eight-week support and ministry program for those who are grieving the loss of a loved one. Author Julie Yarbrough chronicles her personal experience combined with a deep love of Scripture and years of leading grief support groups to create an authentic and deeply personal study.

The Small Group DVD contains eight video segments and two bonus sessions featuring the author. Each segment provides an introduction to the topic for the week while helping participants relate to the life experiences and stories of others who are familiar with the pain of loss and grief.
