When you look into the happy, dancing eyes of your pet, you see a spark of love that warms your heart. These furry children give absolute, unconditional adoration to us--asking nothing but that we hug them, ruffle the fuzzy places between their ears, and give them a lilted-voiced, "Good boy!" or "Good girl!" We believe there is a bond between them and us that just had to be cemented by supernatural influence--by the Creator--and we've included Scripture to back up our contention. *Do Our Pets Go to Heaven?* is a book intended to explore the relationship between you and your pets...to, as far as possible, embrace the understanding that the death of those wonderful family members we love so much can be the door to a forever that is filled with unending love. The world of pets--for that matter, of animals in general--is a phenomenal mix of interaction and curiosity. This book presents some of the facets of those interactions and curiosities that we believe will cause you to want to keep returning to its pages time after time. The writers of *Do Our Pets Go to Heaven?* have poured much of ourselves into this volume. It is an investment of love we want to share with you, who we know also love your furry family members with all your hearts.
