The story in which the head of the MacGregor clan woos his wife—now available digitally for the first time.

Self-made millionaire Daniel MacGregor has a perfect life that's only missing one thing: the perfect woman. And though he's sure he's found her in Anna Whitfield, the dedicated medical student is quite sure of her future plans...ones that don't include an overbearing man like Daniel. But Daniel's attempts to woo her will change her mind and heart, lead to a forty-year marriage—and launch a formidable dynasty...
