Twilight in the Forbidden City (Illustrated and Revised 4th Edition): Includes bonus previously unpublished chapter Reginald Fleming Johnston

As the British-born Tutor to the Dragon Emperor, Johnston was the only foreigner in history to be allowed inside the inner court of the Qing Dynasty. Johnston carried high imperial titles and lived in both the Forbidden City and the New Summer Palace. *Twilight in the Forbidden City* reflects his eyewitness accounts of the memorable events of the time. He provides an first hand account of daily life in the Forbidden City, the Summer Palace, and gives many detailed descriptions of ceremonies including Pu-yi's wedding. Johnston provides a good deal of anecdotal material for the last days of the Ch'ing Dynasty court before the 1911 Revolution. He knew many of the active players in those events, and of historical significance are his observations on the Ch'ing court's political structure, and in particular the Nei Wu Fu or Imperial Household Department. If you are planning to travel to China, or want to understand China better, then this book is a must read as it provides an eyewitness account of the events of period! A 'must read' for anyone interested in China!
