## **A Stitch in Time Saves Nine** Helen Green

This is a story of the cat family, there's daddy Claude cat, mummy Cassandra cat and the twins Kimberly and Kevin kitten and they all live happily together in the family home on the edge of animal wood.

They don't have much money and daddy Claude cat was often away from home on business trips leaving mummy Cassandra cat to look after the twins, but mummy Cassandra cat did her best to keep the kittens clothed and fed on the small allowance that she had.

The twins were generally well behaved, and Kimberly kitten always listened to what mummy had to say, but Kevin kitten thought about nothing else but dashing off and playing rough and tumble with his friends Dennis the donkey, Timothy tortoise, Malcolm the monkey and Oliver owl.

One day Kevin kitten came down to earth with a bump and realised that listening to what mummy has to say is more important than playing with his friends.
