**Autism: Teaching Does Make a Difference** Brenda Scheuermann, Jo Webber

This practical, accessible text was written for practitioners who work with children and youth with autism. It presents the vital material required by special educators to plan and implement effective programs to meet the needs of students with autism. It begins with an overview of autism, including etiology, characteristics, diagnosis, and definition, followed by in-depth coverage of teaching methodologies. Throughout the book, the authors present state-of-the-art information in a step-by-step user friendly format. The book's optimistic viewpoint is grounded in the premise that well-planned and accurately implemented applied behavior analytical interventions will increase the potential for more independent and mainstream functioning.
