The Black Heritage series has updated content and a new look. From the Civil War to the North Pole...the slave era to the age of astronauts...or the Battle of Little Bighorn to Yale University, this engrossing book is chock-full of facts and fun for everyone. This fun-filled reproducible book includes over 100 multiple-choice trivia questions about Africa Americans from A to Z. The information is not just selected at random, but incorporates history, social studies, math, science, geography, language - and many other subjects children may be studying in school.

The way the questions are worded is designed to get readers to stop and think - not just assume this is the question and so this is the answer. If they don't read clearly and follow directions, they may discover they have that backwards! The alternatives in the multiple-choice answers are carefully selected to give the reader the opportunity to compare and contrast. The silly answers, that leave little doubt as to the correct answer, are designed to give the reader confidence in answering questions.

The **Black Trivia The African American Experience** book includes an Official Black Trivia Certificate. Each page includes an answer key.
