## **Coup to Kill: {Evidences for a Coup Detat Conspiracy to Assassinate President John Fitzgerald Kennedy, & Cover it Up!}** Darell D. Thorpe

Dallas Texas, Elm Street, 11-22-1963, Pres. John F. Kennedy = JFK, was assassinated. Some still believe Lee Harvey Oswald acted alone & that there was “no conspiracy.” If so, were these just coincidences? “Luck” that favored Oswald, who just happened to pick the only motorcade in history, where the Secret Service & others “innocently” by “chance,” just happened to have inadvertently cooperated in ways that favored Oswald? Should Oswald’s name be changed to OZZwald, because he had magical powers like some Wizard to magically cause things to happen to his favor, while alive, and then from beyond the grave? How did OZwald, before his death, get Vice Pres. Lyndon B. Johnson = LBJ to start to reverse JFK’s National Security Action Memorandum = NSAM, 263, with a draft NSAM 273, written 11-21-1963? Suggesting prior anticipation of the out come in Dallas? If Oswald was a communist, as alleged to be, why would he kill JFK who was seeking peace with Communists? With LBJ in power, Oswald’s fellow communists ended up being killed in Vietnam, when LBJ reversed JFK’s dis-armaments, by saying on 11-27-63, that the maintenance of military strength, would become 2nd to none. How did Oswald get Secret Service to ignore death threats to JFK, to then lower security? How did he get 9 of JFK’s Secret Services to violate Secret Service policies by going out drinking until the early morning hours of 11-22-1963? Get extra Military told they weren’t needed? Get Secret Service Agent, Emory P. Roberts, to get Agent, Henry J. Rybka, to pull back away from running alone side JFK’s limo at Love field, & in leave Agent Don Lawton & Rybka there? How did Oswald get Dallas Sheriff Bill Decker to get his men to in no way participate in the security of the motorcade? Get the Police coverage to end at the corner of Main & Houston? Get extra motorcycle cops reduced to 4 & get Secret Service Agents for LBJ, to tell the motorcycle cops not to go beyond JFK’s limo’s rear wheels? Get the Press, with their cameras, put back 7, 10, 15 & 16 cars back away from JFK’s limo? Get Agent Clint Hill to jump off the back of JFK’s limo on to the follow up car, leaving JFK open to fire? Get limo driver Agent Greer to stop for a moment on Elm? Get live TV coverage of reporters who said they’d heard that JFK was “struck” by gun fire in the right temple; to then change their stories to blame Oswald, as lone gunman, shooting from behind? Did Oswald use a cartoon, or alien technology to get the smoke from his gun to drift down from 6 floors up to be smelled at ground level, to then drift out from the grassy knoll area? Did he use a magic cartoon type bullet that could go into JFK’s back, come out & go into his neck, through his throat, into Gov. John Connally’s back, smashing into his ribs, his wrist bones and into his thigh to then heal itself to pop out on a stretcher to be found hardly undamaged at Parkland Hospital? How did he get the Parkland Hospital Medical staff to say JFK’s back of his head was blown out? How did he get Secret Service to violate Texas autopsy laws by forcibly removing JFK’s body from Parkland? How did he get the medical staff at BETHESDA to do an autopsy to have JFK’s back head area intact? But then get the Navy to have them sign a Navy gag order? How did he get ABC, NBC & CBS, to transition out, Malcolm Kilduff’s pointing to his right temple? How did he, beyond the grave, get evidences suppressed, altered, manufactured, and cause files to be archived & sealed for 75 years? These & many other issues are explored in Coup to Kill. 50 years later, we are still haunted by many questions about what happened in Dealey Plaza, Dallas Texas, 11-22-1963. Haunted by the ripple effect consequences that effect our Nation & the world today! Coup to Kill, explores many of these questions & seeks answers.
