Kisses and kitchens are more connected than most people can ever imagine. A kiss is an expression of love. It is an indication of intimacy, a show of affection. The kitchen is a place of cooking. It is a centre for the practical demonstration of a wife's love for her husband and a husband's love for his wife. Just as a kiss is "ministered" out of a heart of affection, so the ministry in the kitchen is rendered out of a heart of care and consideration. Kiss Me in the Kitchen is a unique book. It deals with the following:

- \*The kitchen as an altar for the preservation of love and life
- \*The relationship of kissing and the priesthood of the kitchen-place
- \*How husbands and wives can kiss each other in the kitchen-place
- \*How parents can kiss their children and teach them to minister in the kitchen
- \*Kissing and the restoration of the biblical patterns of nutrition
- \*Releasing the rainbow colours of the kitchen
- \*Turning your spouse into a celebrity chef
- \*The ministry of the watchman and intercession in the kitchen
- \*How to kiss your spouse with love poems in the kitchen
- \*The health benefits of kissing in the kitchen
- \*Kissing for divine breakthrough in the kitchen

The passion to cook a lovely meal is as powerful as the preparation to give a passionate kiss. As kissing is indispensable to lovers, so is the kitchen indispensable to families
