**Por qué fracasan los países (Spanish Edition)** Daron Acemoglu, James A. Robinson

¿Qué determina que un país sea rico o pobre? ¿Cómo se explica que, en condiciones similares, en algunos países haya hambrunas y en otros no? ¿Qué papel tiene la política en estas cuestiones? ¿Que algunas naciones sean más prósperas que otras, ¿se debe a cuestiones culturales?, ¿a los efectos de la climatología?, ¿a su ubicación geográfica? No, en absoluto. Ninguna cuestión relativa a la prosperidad de un país está relacionada con estos factores, sino que proviene de otro mucho más tangible: la política económica que dictaminan sus dirigentes. Son los líderes de cada país, afirman los reconocidos profesores Daron Acemoglu y James A. Robinson en este libro, quienes determinan con sus políticas la prosperidad de su territorio, y así ha ocurrido en todos los períodos de la historia, como demuestran en este apasionante estudio.
