Queen of Swords Sara Donati

It is the late summer of 1814, and Hannah Bonner and her half brother Luke have spent more than a year searching the islands of the Caribbean for Luke's wife and the man who abducted her. But Jennet's rescue, so long in coming, is not the resolution they'd hoped for. In the spring she had given birth to Luke's son, and in the summer Jennet had found herself compelled to surrender the infant to a stranger in the hope of keeping him safe.

To claim the child, Hannah, Luke, and Jennet must journey first to Pensacola. There they learn a great deal about the family that has the baby. The Poiterins are a very rich, very powerful Creole family, totally without scruple. The matriarch of the family has left Pensacola for New Orleans and taken the child she now claims as her great-grandson with her.

New Orleans is a city on the brink of war, a city where prejudice thrives and where Hannah, half Mohawk, must tread softly. Careful plans are made as the Bonners set out to find and reclaim young Nathaniel Bonner. Plans that go terribly awry, isolating them from each other in a dangerous city at the worst of times.

Sure that all is lost, and sick unto death, Hannah finds herself in the care of a family and a friend from her past, Dr. Paul de Guise Savard dit Saint-d'Uzet. It is Dr. Savard and his wife who save Hannah's life, but Dr. Savard's half brother who offers her real hope. Jean-Benoit Savard, the great-grandson of French settlers, slaves, and Choctaw and Seminole Indians, is the one man who knows the city well enough to engineer the miracle that will reunite the Bonners and send them home to Lake in the Clouds. With Ben Savard's guidance, allies are drawn from every segment of New Orleans's population and from Andrew Jackson's army, now pouring into the city in preparation for what will be the last major battle of the War of 1812.

From the Hardcover edition.

From reader reviews:

Robert Nguyen:

The book Queen of Swords can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book Queen of Swords? Wide variety you have a different opinion about guide. But one aim in which book can give many data for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or details that you take for that, you could give for each other; you may share all of these. Book Queen of Swords has simple shape but the truth is know: it has great and big function for you. You can seem the enormous world by start and read a guide. So it is very wonderful.

Tammy Kovar:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Queen of Swords as your daily resource information.

Wilma Hogan:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Queen of Swords, you may enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its known as reading friends.

Josephine Weeks:

In this time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher this print many kinds of book. Often the book that recommended to your account is Queen of Swords this publication consist a lot of the information in the condition of this world now. This specific book was represented how do the world has grown up. The language styles that writer use for explain it is easy to understand. The particular writer made some exploration when he makes this book. This is why this book ideal all of you.
