## **The Book of Psalms** Phoenix Audio

The Psalms express the heart and essence of humanity, covering a wide range of emotions, and the lessons derived from them have had a far-reaching effect through the ages. They are a unique portion of the Old Testament - 150 songs and poems that include hymns of praise, thanksgiving, lament, wisdom, and liturgy. Written over a long period of time by multiple authors, the Psalms illustrate the theology and worship of the Israelites over the centuries. This reading of *The Book of Psalms* uses the *King James Version of the Bible*, a translation whose language is praised as some of the greatest poetry ever written. Michael York brings out the eloquence of this language in his beautiful narration.
