The Dark Side of Black History: A Story of Black America's Chaotic World with Christianity Mr Koko Ishe

Before the shores of America black African empires existed. They had kingdoms, riches, wisdom, and famous leaders. However, slavery became a part of their history as the nation decided to walk away from the very things that made them excel. Blacks in America created this extremely dark side of their history, and have shown extraordinary strength to survive and enduring the harshest treatment possibly suffered by a people. The Dark Side of Black History is a story to illustrate the troubled past the Black American has had within Christianity and how this troubled past has ruined their thriving nation even today. This chaotic history has also helped to bring a negative aspect to the world and it affects every person on the planet. The author believes every black family in the Americas (North, South, Central America and the Islands) needs to learn and know about the Dark Side of Black History in order to make proper solutions in moving forward as a people. The author illustrates the story of how black Americans took plight; however he details the exact method and remedy to return to greatness for all and not just a few superstars! The author will show Christians and the black community their extended history, rich kingdoms they established, prominent leaders, famed rulers, why the demise occurred, and how to reverse it in order to become a world power again. The author pulls back the curtains on Christianity, the black American community, their dark history, and the bright future that lies ahead for those who have the wisdom to learn from the past. The Christian perspective is certainly a winner for all readers to enjoy and increase in knowledge. The author does this by making an identity awakening for black Americans all around the world. This book is laid out in 7 simple chapters with an introduction and a conclusion. It is very educating but also delightfully entertaining with personal stories, clever humor, and a joyful tone of the "togetherness" and community for black Americans and all people relate with and enjoy. Every one who reads this book will learn something new and valuable. Start today!
