The Garden of Burning Sand Corban Addison

The New York Times bestselling author John Hart raved that "If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life." In *The Garden of Burning Sand*, Addison, the bestselling author of *A Walk Across the Sun*, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington, D.C. elite, to the splendor of Victoria Falls and Cape Town.

Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father--an American business mogul with presidential aspirations--and from the devastating betrayals of her past.

When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth.

As they are drawn deeper into the complex web of characters behind this appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart--and confront the dark past she thought she had left behind.

From the Hardcover edition.

Paul Norris:

With this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become among it? It is just simple approach to have that. What you should do is just spending your time almost no but quite enough to enjoy a look at some books. One of several books in the top checklist in your reading list is usually The Garden of Burning Sand. This book that is certainly qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.

Neil Owens:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Garden of Burning Sand can make you sense more interested to read.
