The sinking of the Titanic was one of the most shocking tragedies in history. Rosalee has always had a strange fascination with the whole thing. She never understood why she was so curious about the ship, the passengers, and the sinking... Until she visited an artifact exhibit in Las Vegas, and started having dreams of being a passenger on the ship in 1912. Once she finds out which passenger she is portraying in these visions, she does some research and finds out that not only is the woman buried nearby, but she also has a striking resemblance to her. Now she has a million questions, and the only thing that can help her get the answers is the spirit of the passenger... And possibly the handsome Historian in a suit.
